OVERVIEW

The project 'Vihar Valley' is a real estate related website made using HTML and CSS for clients to get to know about what the company is about and their services.

GOALS

- Landing page for the real estate company.
- Get to know information about the 'Vihar Valley' company on the home page.
- To get to know about membership schemes and benefits provided by the company.
- Gallery view of some of the properties comes under the company.
- Contact form for clients to make enquiry if any.

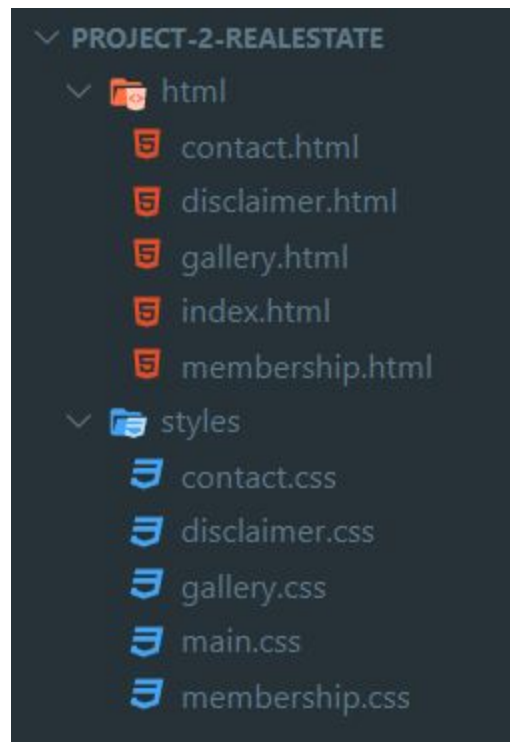

SPECIFICATION

- On every page there will be a logo, navbar and footer for easy navigation of the pages.
- In home added 'Who we are' section which contains the information about the company and make an enquire button is also added.
- There will be a gallery page where all the property photos are showcased.
- The membership page will give the information about the membership plans and the corresponding benefits.
- In the contact us page people can send feedback or queries if any.

TOOLS AND TECHNOLOGY

- ★ HTML
- ★ CSS
- ★ VS code

OUTPUT

To experience full functionality [click here](#)

Note: Recommended the desktop is best to view , not responsive to mobile screen. Also chrome browser is recommended.

HOME

WHO WE ARE

Vihar Valley is the group of real estate arm that offers customers a comprehensive range of high quality professional services in investment and development. Through three decades of sustained development, the company has emerged as one of the largest land aggregators in Bangalore and across India. It has formalized several land acquisition deals across the country, and enjoys successful joint ventures with reputable names in the real estate space.
